Welltec System (UK)

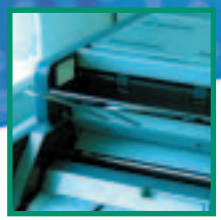

Mailfinisher LJ4000

On-line Desktop Print to Mail Pressure Seal System

This simple to use yet highly intelligent system is the most cost effective on-line Pressure seal system on the market. Compatible with all the HP LJ4000 range of printers, the Mailerfinisher Lj4000 is ideal for all types of applications, including payroll.

- Processing speeds of up to 55ppm on-line (3,300 forms per hour)
- Fold settings changed in seconds
- Manual Feeder
- Printer interface port (Optional)
- Paper thickness sensor
- Digital batch counting & total count
- Exceptionally quiet
- Ideal for any office environment
- Fully compatible with the HP LJ4000 range of printers
- Cabinet available to allow for additional paper trays on printer

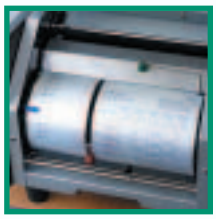

Forms outside the calibrated setting will be sent to the by-pass tray

An integrated imaging system detects unrecognised stationery and double fed sheets diverting them into the by-pass tray

Maintenance

Welltec UK are able to offer annual maintenance contracts for added peace of mind. These consist of eight working hour response, all parts and labour, preventative maintenance and *free replacement machine if required. Alternatively a bespoke package can be tailored to your specific requirements. Please note: Maintenance contracts outside the UK may vary.

* Subject to maintenance contract
