Global Pressure Seal Solutions

PostMate 6HD

High volume Pressure Sealer with In-line capability

The most advanced high volume Pressure Sealer and office paper folder of its kind. Fitted with the latest in-feed technology FRR (Friction Reverse roller) and the largest in-feed capacity for a machine of this size make it an ideal candidate for any large volume environment.
This system comes complete with out feed conveyor and machine cabinet.

- Large In-feed capacity
- 4 roller sealing unit
- Variable speed
- Processing speeds up to 13000 forms per hour
- Digital batch counting and total count functions
- Paper thickness Sensor
- Auto extending conveyor
- Easy to use control Panel
- Automatic jam release

Large in-feed tray for standalone Processing with a capacity of 1300 forms

After Sales Support

After Sales maintenance packages are available please contact us for more details.

Up to 500 form capacity auto extending Variable speed Conveyor

Specifications:

Processing Speed	Adjustable up to 13,000 /hour
Feeder Capacity	1300 sheets (Pressure Seal forms)
Form Size	A4, letter, legal
Fold configurations	C, EC, V, Z, EZ, double parallel
Fold Settings	Manual
Manual Feeder	Process single or damaged forms
Paper Weights	60-120gsm
Counter	digital batch count / total count / auto start
Miss-feed Prevention	Friction Reverse Rollers (FRR)
Jam Free:	Reverses the rollers to clear any jams
Weight	103kg with conveyor fitted
Power	220V/50Hz
Duty Cycle	400,000 sheets
Printer Interface	Dual Purpose (In-line &Stand alone)
Double Detection	Automatically detects double feeds
Output Capacity	Auto extending conveyor
Sealing Unit	Integral 4 rollers
Size	415 x 600 x 610mm (Without Conveyor)
Noise Level	Between 65-75db
Additional Features	Comes complete with Cabinet and output conveyor

Note

Whilst every care has been taken in the preparation of these details, they are subject to change and therefore should not form part of any contract.

Simple to use digital interface

Simple access to fold plates for the adjustment of different fold types
